This email has been sent to you because you are either a valued client or contact of Thompson & Clark Investigations Ltd.

In light of recent speculation about the work conducted by us on behalf Southern Response Earthquake Services (SRES), we would like to assure you that Thompson & Clark only operate within the rules and regulations of the security industry and within all laws of New Zealand.

We follow the New Zealand Governments Protective Security Requirements (PSR) which outlines the Government's expectations for managing personnel, physical and

information security, reference www.protectivesecurity.govt.nz/home/directive-on-the-security-of-government-business

We will co-operate fully, if asked, with any State Services Commission enquiry into SRES.

Please contact us directly if you have any further questions.

Kind Regards Gavin and Nick
