Hi there,

We have a tentative ETA [REDACTED] of [REDACTED] [REDACTED] at [REDACTED] [REDACTED] (weather permitting). Centreport pilots have confirmed berth at [REDACTED]

We will continue to monitor daily security sitreps from Thompson & Clark but we no news of any potential issues at this stage. I'm in Auckland at the Petroleum Conference so know where the protest energy is focussed at the moment!

I'm back in Wellington tomorrow and will touch base with you all again with any updates and to discuss specific arrangements.

Regards, [REDACTED]
