Hi ██████████,

We will be shortly tightening up on vehicle signage but for this visit sign on the dashboard will be fine

Can you make sure that ██████████ from NIWA adds your name to the list and puts down rental car rego unknown in appropriate column

If there are any problems give me a call

Regards

Subject: ██████████ this weekend

Hi ██████████,

I'm down in ██████████ this week, ██████████, ██████████ and ██████████ assisting NIWA (██████████) with security ██████████

Just wanting to check that I am able to access the port with my rental vehicle (wont know the regno until [REDACTED] morning)?

I will have the usual Thompson & Clark sign for the dashboard.

Reason for needing a vehicle on the wharf is that if there is a security issue or I am required to deploy somewhere else I can do so quickly without waiting for the shuttle.

If this is okay with [REDACTED] could you please advise the gatehouse.

Kind Regards

Gavin Clark
